Land N. ½ 21-1-W.3- 3rd Meridian

Preemption entry of Joseph W.H.Carter.

Date of entry 24-9-10.

I beg to call your attention to the fact that this entry is now over eight years old. Please take ordinary cancellation proceedings at once on Form 334 on the ground of failure to apply for patent.

Form 333 and the leaflet entitled "Applications for Patent by Persons who are Debarred by Law from Securing Naturalization" should accompany your notice to the entryman Form 334.

If the entryman takes a defence or an application for patent, the same should be referred to Head Office together with any evidence submitted by the applicant regarding naturalization or application made by him for a Certificate in Form K.

On the expiry of 60 days from the date of your notice, if the entryman has not been heard from, an Inspector's report should be ordered.

The Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The highest possible value of the land should be given in regard to farming and improvements. In case of a pre-emption it will be necessary to report on the question of settlement as well.

The Inspector should make careful enquiry to find out whether the entryman is entitled to homestead privilege or not, i.e. is he an ex-soldier?

If there is some special condition in existence which would prevent the acceptance of the land in the ordinary way, the report should contain full particulars.

When you receive the Inspector's report you should forward it at once to Head Office for consideration.

A copy of any letter or form issued by you in this case should be forwarded to Head Office in the usual way.

Sir

Re my Pre Emption the S.W. ¼ 24-4-28-w3rd I wish to ask you to favour me with an extension of time to pay for the aforementioned quarter. I fully intended to have paid for same this fall but have not had sufficient work to enable me to cover the amount and Household expenses However I intend to go back in the Spring to farm same again as I had to leave last year owing to so many years of crop failures. I understand that some of the German settlers is trying to get my land cancelled so that they can get it for grazing purposes, and has been in communication with you to that effect Now Sir I think some consideration should be shown me before such drastic action is taken

the improvements on buildings water supply &c &c done
first on this quarter has cost me over $2.000 00
and my experience of the German settlers during the late
war although they are naturalized is such that they
are capable of the lowest action against a British
subject Because I left the farm for the time being
to earn money to keep my family, in preference to
taking doles from the Government, is no excuse for the
Government in stripping me of 10 Years work and permanent
improvements I've put on the land, without giving me
compensation or the opportunity of locating on land
that will give an adequate return for ones labour and
Capital. I trust you will take up this matter in
a spirit of fairness and hand out to me the same
justice you would expect handed out to you
if our positions was reversed

Dear Sir

Have just received letter from Dept of the Interior Ottawa stating that you have had instructions to institute Cancellation Proceedings against the S.W ¼ 24 4 28 W. of 3rd (of J.W Carter) and see that the notice was posted at Senate P.O. last ... Oct 25th As I informed you in a previous letter sent some time ago I am very anxious to obtain the above land under lease for grazing purposes.

Might say that when Mr Carter left here he left the land in my care to look after. and at that time he fully intended returning here last spring.

I fenced up the corners ... in over 125 new post etc at an outlay of about $25.00 and I feel that I ought to have the first chance of obtaining lease or same if Cancelled ... per Grand

In order to get my application through ...

4740745

Might state that Mr. Brundage is trying to get the Pre-emption and it would pay the Govt to investigate him thoroughly before having any further dealings with him. Dont take my word for it there are lots of reliable people here who can tell you what kind of people they are

Will you kindly let me know as soon as possible which enclosed Application form is all that is necessary for me to send in. Thanking you in anticipation

Sir,

Re S.W.¼-24-4-28-W.3rd M.

I am to acknowledge your letter of the 26th October last requesting the Department to grant you further time within which to complete payment of the instalments of principal and interest due in connection with your pre-emption.

Cancellation proceedings were instituted against your entry on the 21st October last for failure on your part to complete the payments referred to or otherwise satisfy the Department that you were in residence and farming the land. Should the Department not be satisfied as to your bona fides and the cancellation of the entry results as a consequence, it is proposed to make the land available for leasing under the grazing regulations. However, there is a disposition to deal leniently with you provided you will give some guarantee that you intend to make another attempt to raise a crop with a view to discharging your indebtedness out of the proceeds thereof. A period of thirty days from this date will be allowed you within which to communicate your intentions to the Department in this connection.

It has been represented to the Department that your patented homestead, the North West quarter of the same section has been disposed of by mortgage foreclosure proceedings. Furthermore, it has been reported that certain persons now claiming an interest in your homestead contemplate moving the buildings from your pre-emption to the homestead. It will be necessary for you to protect yourself in this matter.

Dear Sir:

Re Credit Foncier & Carter

The Credit Foncier hold a mortgage against the North-west quarter of Section 24, Township 4, Range 28, West of the Third Meridian, this being his pre-emption, the grant for which did not issue to him. Before he left he moved the buildings from the North-west quarter of Section 24 and the South-west quarter of Section 24. These buildings were on the land at the time the Credit Foncier made the loan and were the principal part of the security and Carter had absolutely no right to move the buildings, and in fact, was liable under the criminal code for so doing.

We wish to arrange to have these buildings returned to their proper place and we also wish to let you know that these buildings were moved in order that in the event of the pre-emption being cancelled, it will not be considered that the buildings belong to the land.

I am in receipt of your letter of the 12th instant re your Ref. F. C. W., in connection with the above party, and note your remarks with reference to the building located on the pre-emption entry, and which you wish to remove to the Homestead.

I also note what Mr. Carter's solicitors state in connection with this building, and I am returning herewith their letter, which you enclosed, and as requested by you.

As soon as the Homestead Inspector's report comes to hand, it will also be submitted to the Department, and no doubt, Head Office will advise you promptly with reference to your request to be allowed to remove the building to the homestead entry.

Dear Sirs:-

Re: Grain - Carter vs. Carter.

Mr. Carter has asked us to reply on his behalf to your letter of the 11th of January, concerning [illegible] Ltd. Mr. Carter has made a failure of farming.

With regard to the buildings Mr. Carter says that the Loan Company agreed to his moving them from one part of the quarter on which they had the mortgage to the other part and it was not his intention to move them off this quarter, but owing to a mistake in the boundary line between that quarter and the pre-emption, he got them a rod or so over on the pre-emption without intending to do so. He says that he is perfectly willing for you to have these buildings which are situated very close to the boundary of this quarter, but he has not means of getting them moved and no money to pay for getting them moved. They are perfectly at liberty so far as he is concerned to take these buildings.

He says that as compensation for your [illegible] moving the buildings, there is a good [illegible] on the quarter, in which at present you have no interest, but which he is willing you should have. There is no lease of Mr. Carter registered [illegible] and if you [illegible] and not after a third [illegible]. Present Value - $[illegible].00.

Nature of soil - Clay.
Subsoil - Clay, stone cannot out.
Area fit for cultivation - Nil.

General Remarks -

"The buildings were placed on skids and "removed to the pre-emption after Mr. Carter "had secured a loan from the Credit Foncier "and there they still remain. Under these "circumstances it would seem right that they "should be given permission to move them back. "The well was bored by Herman Browalzke and he "never was paid for his work. The land is "only suitable for pasture. The value is not "in excess of $5.00 per acre."

In addition to the purchase price of the pre-emption, it would appear from evidence on file that Mr. Carter owes $49.80 for Seed Grain and Relief.

Nothing has been heard from the entrant since the 16th October last when he stated that he had fully intended to pay for his pre-emption that Fall but had not secured sufficient work to cover the amount together with his household expenses. He stated, however, that he intended to go back in the Spring but it would appear from the Inspector's report on file that he had not returned to the land up to the end of May.

Under the circumstances it is suggested that he be given a final period of sixty days to definitely satisfy the Department as to his intentions with regard to making payment of the purchase price. Please say whether any action should be taken to advise the Credit Foncier as to the situation with regard to the buildings on this land. Should the entry be cancelled, it does not appear that the mortgagors could be given permission to remove the buildings.

Pre-emption of James Miller T.

Entry granted - 14th September, 1910.
Homestead patented.

This patent has applied for patent for his pre-emption claiming all duties completed as shown on form No. 54. However, he has called to pay anything on account of the purchase price and of the fact whether last cancellation proceedings were instituted against the entry.

According to correspondence on file it would appear that Mr. Carter mortgaged his patented homestead with the Credit Foncier and that before leaving the land he moved the buildings which were formerly on the homestead over to the pre-emption quarter-section. The interested parties are the legal firm of Gordon and Gordon have written the Department pointing out that Mr. Carter had no authority to move the buildings and they do not belong to the pre-emption quarter-section. The Department has also received a copy of a letter written by Messrs. Willoughby, Cruin and Hetherington on behalf of the entrant pointing out that it was not his intention to move the buildings off his patented homestead but that he made a mistake in the quarter line and he is willing for the Credit Foncier to have the buildings but has not the means of getting them moved.

Under this letter I could remove the building back on the patented quarter

Memorandum,

Mr. Hume,

S.W.¼ 24-4-28-W. 3rd Mer.
Pre-emption - James.Wm.R. Carter.
Obtained entry-24th September, 1910.
Homestead patented.

With the exception of payments a satisfactory application for patent was made in this case on the 2nd December, 1920. As he failed to pay anything on account of the purchase price cancellation proceedings were instituted against the entry on the 21st October last.

From correspondence on file it would appear that Carter mortgaged his patented homestead with the Credit Foncier and before leaving the land he moved the buildings which were on the homestead over to the pre-emption quarter-section. The legal firm of Gordon and Gordon wrote the Department that Mr. Carter had no authority to move the buildings as they did not belong to the pre-emption quarter-section. The Department also received a copy of a letter written by Messrs. Willoughby, Crain and Reynon on behalf of the entrant pointing out that it was not his intention to move the buildings his patented homestead but that he made a mistake in the boundary line and he is willing for the Credit Foncier to have the buildings but has not the means of getting them moved.

Mr. Lynch submitted this case on the 12th ultimo, and your remarks thereon quoted hereunder were approved in by the Assistant Commissioner.

Remarks: "Under this letter apparently the Loan "Co. could remove the buildings back to "the patented homestead. Suggest en- "quiring whether they have done so, "pointing out that Department proposes to "cancel the entry."

Messrs. Gordon and Gordon, Barristers, were written to accordingly and stated that the buildings in question have not been moved back because they wish Departmental permission to move them.

In view of your remarks I assume that Messrs. Gordon & Gordon may be allowed permission to comply as requested.

Preemption - James [illegible] Carter.

I am in receipt of your letter of the 19th ultimo with respect to certain buildings on the above described land.

According to the records the buildings were originally on Mr. Carter's homestead which apparently has been sold. The buildings were removed from the homestead after the sale thereof and the purchaser made objection to the removal.

Mr. Carter gave the purchaser permission to have the buildings returned to the homestead.

It is contrary to the practice of the Department to interfere with the disposal by an entrant of buildings erected on a purchased homestead or preemption while the land is under entry; no removals are allowed after the cancellation of an entry.

It is not the practice of this Department to dictate or control the actions of an entrant in connection with buildings erected or placed by him on land held under entry while such entry is current.

Mr. E.M. Medlen,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of J.W. Carter
S.W. 24-4-28-W3

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 seed grain amounting to $40.00 was advanced to J.W Carter on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

| Principal | Interest | Total |
|---|---|---|
| $ 40.00 | $ 67.82 | $ 107.82 |

The S.W. 24-4-28-W3 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 18th of August 1924 and the land is still unalienated Crown Land held in the right of the Province.

The land is described as clay with clay stone burnt out and is unsuitable for cultivation and only suitable for pasture.

This quarter section is under the jurisdiction of the Department of Agriculture, Province of Saskatchewan, and is still vacant and no longer being operated. It is n t assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our advance.

Under the circumstances it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Sir,

I beg to advise you that Mr. Ellis Werner of Lapin Head

who has homesteaded the E. Quarter of Section 2

Township 35 Range 18 West 4

has made application for seed grain and his application has been approved and the grain will be delivered to him in due course.

If this settler should apply for his Patent before the Seed Grain Lien is completed and registered in the Land Office at Duck Lake it would be well for the Department to make a note of same against his land so that in case of issue of Patent, it will be done subject to this Seed Grain Lien. You will be advised later of the amount. Kindly acknowledge receipt.

Sir,-

S.E.¼ of Sec. 2 Tp. 35 Rge. 18 West 4th Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting these settlers, who had obtained patent, or who may become entitled thereto on or before the 1st January, 1931, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section of Dominion Land mentioned, this is the only land for which you have obtained patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are interested to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Dominion Advance

---

The above party obtained the following Dominion Advance giving as security a lien on the title to the above land:

| | |
|---|---|
| Seed Grain 1915 | $96.00 |
| Interest to May 31st,1953 | 182.37 |
| | 278.37 |

The debtor has approached this office through his solicitors with a view to clearing title to this property and has submitted the sum of Twenty-five dollars ($25.00) in settlement of the debt.

This debtor is a man in advanced years whose financial position is a poor one. The land involved is not of great value as witness the fact that the parcel has come up for tax sale on several occasions and no offers having been received. The debtor was able from time to time to pay a little on the taxes and retain possession. The parcel is located in a township which has had awards under the Prairie Farm Assistance Act granted in ten years out of the last thirteen, and is assessed for taxation purposes at Five hundred and sixty dollars ($560.00).

This land was subject to a mortgage registered prior to the Crown lien and under which the indebtedness amounted to the sum of two hundred and eighty-one dollars and thirteen cents ($1,281.13) plus interest for some twenty years. A settlement has recently been arranged with the mortgage company whereby a payment of Two hundred dollars ($200.00) was accepted for discharge of the mortgage.

In view of the circumstances of the debtor and the settlement arranged with the preferred creditor it is my opinion that the offer in this case should be accepted. I would therefore recommend that the account be so adjusted that after application of this sum of Twenty-five dollars ($25.00) same will be paid in full.

Referring to the cancellation proceedings outstanding against your homestead, the N. If you fail to comply with the above instructions the Agent will report promptly to the Department, in which event your entry may be summarily cancelled.

Re: John Evers.

The above named is the registered owner of the W½-11-14-5-4th. There is registered against it a seed grain lien which was created by one John Wisman to the Crown in the sum of $118.80, with interest at 7% per annum from the 3rd April, 1919; apparently, the lien is number 27946, and it appears to have been registered in the Land Titles Office at [illegible]. Mr. Evers has no knowledge of Wisman, and he assumes that by reason of the lapse of time, the amount which was created as stated has been forgotten. In any case, it is desired to have the lien withdrawn, and it will be appreciated if you will be good enough to let me hear from you on the point at an early date.

Dear Sir:

Re: N.W. 21-14-3-W.4th.

We have your letter of the 8th of December, 1952, informing us that there is a Dominion seed grain lien for $112.50 registered against the above land and asking if this account has now been forgotten due to the lapse of time since the advance was made. In reply, we might say that our liens are still a correct charge against this land and the present standing of this account is as follows:-

| Principal | Interest | Total |
|---|---|---|
| $ 112.50 | $ 244.62 | $ 357.12 |

In order to assist your client, in clearing the title to his land, if he will remit the sum of $178.56, being one half of the outstanding account, within a reasonable time, it will be recommended to the Seed Grain Advisory Board that this be accepted in full settlement of the Federal indebtedness.

Mr. J. B. Judge,
Chairman,
Seed Grain and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: John Haisman
NW 21-18-3-4.4th.
Seeding Advances

The above party obtained a Federal Seed Grain Advance of one hundred and twelve dollars and fifty cents ($112.50) in 1919 giving as security a lien on the title to the above land. One payment of Twenty dollars ($20.00) has been made and the balance including accrued interest to November 30,1952 is three hundred and fifty-seven dollars and nine cents ($357.09).

The debtor sold this land a number of years ago to John Evers and the purchaser claims to have left money with a solicitor in Medicine Hat who is now deceased for the retirement of the Crown Lien. The money however was never remitted for application on the account and Evers now finds himself in the position of having to settle the full amount the second time.

Evers in turn sold the land on March 22,1926 together with the [illegible] and a small amount of new equipment, the full purchase price being [illegible] bushels of wheat to be paid on the basis of a one-fourth crop share. Over the next [illegible] years drought conditions have been quite prevalent and a total of [illegible] bushels of wheat only have been delivered, a large part of the grain being delivered when the price of wheat was relatively low.

The solicitor for John Evers has approached this office for a compromised settlement tendering the sum of one hundred and fifty dollars ($150.00). He advises that the vendor in order to have the agreement completed has offered to reduce the amount still owing by [illegible] bushels and will accept 1,[illegible] bushels in full settlement. The solicitor advises that Mr. Evers is a cripple confined to a wheel chair and that the proceeds of the land represents his only income. As the vendor is over [illegible] years of age it is presumed that he also receives Old Age Pension.

The land is not of great value being assessed at Five hundred and seventy dollars ($57[illegible]) only for taxation purposes and is situated in a township which has received awards under the Prairie Farm Assistance Act in each of [illegible] years.

In view of the circumstances of the debtor and the small amount of money still due his which can be considered as accruing from the land held as security for the advance it is my recommendation that the offer be accepted in full settlement of the account.

Dear Sir:-

S.S. 24-17-9-W.4th Mer.

I beg to return the letter of Mr. James T. Berry of Irvine, Alberta, which you left at the Department a day or two ago.

Mr. Berry wishes to be given further time within which to file evidence of the time he spent in farm labour during 1917. It has recently been decided that further time could be allowed in cases of this kind so that it will be satisfactory to the Department if Mr. Berry will, at his earliest convenience, furnish the additional evidence in support of his application to be credited with farm labour in connection with his entries.

I note that he finds it impossible at present to go to Medicine Hat but probably he can arrange to make this journey at a convenient opportunity within the next few weeks.

He requires to submit the sworn evidence of two witnesses but this can be given before a Notary and does not require the presence of the witnesses at Medicine Hat.

A copy of Mr. Berry's letter has been kept here, and he will be fully advised officially from this Department.

Yours truly.

Re Homestead entry
N.W. 24-12-9-W. 4th.

On April 1st, 1917, I rented all Sec. 22-12-9-W. 4th for 1 year am wishing to obtain the benefit of the Order in Council passed Feb. 28th, I filled out the necessary form and forwarded them to the local Dominion Land Office, Med. Hat. On July 9th I received a letter from your department stating that the local agent was instructed to protect my homestead entry from cancellation. On January 28th I reported by letter to the local agent that I was still the tenant of sec. 22-12-9-W. 4th. and would be until April 1st, 1918. I received a letter from him dated Jan. 31st stating the order in council was very definite and that it would be necessary for me to appear in person not later than Feb. 1st with two witnesses, in order to obtain the benefits thereunder.

The circumstances are this: the renting of this farm and ranch carried with it a large number of stock, the practical failure of a crop was a burden necessitating my having to look after them alone, together with the severe cold almost incessantly since December 1st, with a great deal of snow, and scarcity of feed has made it impossible for me to leave the ranch, as I would take 3 days to go to Med. Hat. Under these circumstances I appeal to your Honourable Office for consideration. If I could have submitted the necessary declaration before the nearest J.P that I could do, but to go to Med. Hat under the weather conditions is impossible even if I have to forego the benefits offered in the Order in Council. I think if anyone has earned the benefits I have.

I, however, trust you will give my case your favourable consideration.

Thanking you in anticipation, I am

Yours faithfully.

Sir:-

Referring to your file #17786, relating to the North West quarter of Section 24, Township 13, Range 9, West of the 4th Meridian, the homestead of Mr. James T. Berry, I may say that Mr. Berry has asked for further time within which to file evidence for the time he spent in farm labour during 1917.

It has recently been decided that further time could be allowed in cases of this kind so that it will be satisfactory to the Department if Mr. Berry will, at his earliest convenience, furnish the additional evidence in support of his application to be credited with farm labour in connection with his homestead.

Dear Sir;

I am in receipt of a letter from the Department of Interior in connection with the above land, and to which you no doubt have a copy.,

I might say that as far as the duties are concerned they have been performed long ago. I broke up 30. acres in 1917, kept putting it into crop until I got disgusted, and never had to put a binder on it. I had that much satisfaction "I did not have to buy a binder". I however hesitated to apply for patent, as I did not believe the land was worth the taxes against it, I applied once for seed grain to seed it, and kept seeding it until the last year I seeded was 1921. I had the land all fenced a small house and stable, whether they are there now I do not know, I believe they have been stolen, at least I am informed., I would however like to know what is against the land, and if I am able to pay the indebtedness I will make application for patent, but I assure you I have spent far more than I could ever hope to get out of it, but that all the duties have long since been performed and I thought an explanation of why patent had not been applied for was necessary.,

Dear Sirs; RE YOUR FILE [illegible]

I have your communication of the 16th inst apparently not satisfied with the duties which I have performed on the above mentioned land, and in reply may say that I have not the slightest idea of going into residence on that land for 3 months for the balance of 1918 not as you say for 1919 residence for 1918 is perfectly clear. Furthermore I see no reason why I should have to travell approximately 250 miles to apply for patent and spend more than the land is worth, and further that there is not a man living in that country, that was living there then, as they have had to leave the district and earn a living elsewhere especially is this true since the Governments of the Country have ceased to keep them living,

I have no idea of using the Soldiers Civil Re-Establishment Act if the spirit of the Act has ever been carried out. I have done it, and a great deal more than most of those who have already secured patent., If this explanation is not satisfactory to you I would thank you to let me know when I will take the matter up with Hon Mr Stewart personally.,

Yours truly,

M.F

Ottawa, 11th September, 1923.

Memorandum.

Mr. Hume.

Re N.W.¼ 24-13-4, W. 4th M.,
Homestead - James Thom Berry.
Entry granted 29th August, 1918.

You asked for a full statement with regard to the letter of James T. Berry of Red Deer of the 30th August last, who writes in response to a final notice from the Department to either make application for patent furnishing proof of the required duties, or return to the land for the purpose of completing the requirements.

Cancellation proceedings were instituted against this entry on the 8th June, 1922, on behalf of the Department under the five year clause (Section 16) and according to a statement submitted by Mr. Berry on the 24th July, 1923, the following residence duties are claimed:

1917 - whole year
1918 - 5 months
1919 - 5 months.

On the 15th September, 1922, Homestead Inspector Mayberry reported no one in residence, and the following improvements:

Lumber house, 14 x 20, value.....$100.00
Fencing, value.....$150.00
75 acres of breaking - not in crop.

A further report was obtained in May 1923 from Homestead Inspector Wilcox who stated that there was no one in residence, house burned down, fence $50.00, cultivation -
1918 - broke 75 acres, cropped 50 acres
1919 - cropped 50 acres
1920 - cropped 50 acres
1921 - cropped 50 acres. No crop since 1921. He had his land rented in 1919, 1920 and 1921. General remarks:-

"It was not possible to find anyone that could give
"me information as to Mr. Berry's residence duties.
"I could only find two men that had lived in the
"district over four years and they informed me that
"they knew nothing about his residence or cropping.
"The others had only been in the district three or
"four years."

Whereas, it was apparent from this report that the duties were in default you authorized a final thirty days for the entrant to show that he was going on with the duties. Mr.

Berry

Berry on the 16th July last, in reply, wrote the agent of Dominion Lands at Lethbridge as follows:

"I might say that as far as the duties are concerned "they have been performed long ago. I broke up 80 "acres in 1917, kept putting it into crop until I got "disgusted and never had to put a binder on it. I had "that much satisfaction 'I did not have to buy a "binder.' I however hesitated to apply for patent "as I did not believe the land was worth the taxes "against it. I applied once for seed grain to seed "it, and kept seeding it until the last year I seeded "was 1921. I had the land all fenced, a small house "and stable, whether they are there now I do not know. "I believe they have been stolen, at least I am "informed. I would however like to [illegible] "[illegible] the land and if I am able to pay the indebted- "ness I will make application for patent but I assure "you I have spent far more than I could ever hope to "get out of it, but that all the duties have long since "been performed and I thought an explanation of why "patent had not been applied for was necessary."

The local agent asked for a statement and the statutory declaration previously referred to was submitted. The case was again brought to your attention and on the 11th ultimo you ruled that Mr. Berry should be allowed a final sixty days to apply for patent if he is satisfied that the duties have been performed, or resume residence if not completed. He was advised accordingly.

A reply has now been received from Mr. Berry in the following terms:

"I have your communication of the 13th instant "apparently not satisfied with the duties which I have "performed on the above mentioned land, and in reply "may say that I have not the slightest idea of going "into residence on that land for 3 months for the "balance of 1919 not as you say for 1918 residence for "1918 is perfectly clear. Furthermore I see no reason "why I should have to travel approximately 250 miles to "apply for patent and spend more than the land is worth "and further than that there is not a man living in that "country that was living there then, as they had to "leave the district and earn a living elsewhere "especially is this true since the Governments of the "country have ceased to keep them living. "I have no idea of using form 115-a. If the spirit of "the Act has ever been carried out, I have done it, and "a great deal more than most of those who have already "secured patent. If this explanation is not satisfactory "to you I would thank you to let me know when I will take "the matter up with Hon. Mr. Stewart personally."

When making entry for this land Mr. Berry paid $77.00, being the Homestead Inspector's valuation of improvements on the quarter-section, consisting of frame house, 14 x 20, value $60.00, other buildings, $5.00, 12 acres of breaking, $12.00.

On the 11th June, 1917, Mr. Berry executed a declaration on form No.303 to the effect that he desired credit

for

for farm labour under the Order in Council of the 16th February, 1917, in connection with farming operations on Section 33, Township 11, Range 8, West 4th Meridian, owned by and leased from George Mackie. Mr. Mackie executed the usual employer's certificate to the effect that he had engaged Mr. Berry for a period of twelve months from the 1st April 1917. In response Mr. Berry was notified of the necessity for furnishing the prescribed evidence as to completion of farming operations not later than the 1st February, 1918, but he has never complied with this requirement.

On the 3rd February, 1918, Mr. Berry wrote to the Minister (Hon.Dr.Roche) in explanation of his failure to furnish the prescribed evidence, stating that owing to the severe weather [illegible] was utterly impossible for him, even at the risk of losing the benefits of the Order in Council, to attend at the Dominion Lands Office at Medicine Hat for the purpose of furnishing this evidence. The Minister replied to the effect "that it will be satisfactory to this Department if you will at your earliest convenience furnish the additional evidence in support of your application to be credited with farm labour in connection with your homestead during last season."

Although the Minister gave no intimation as to what period of time he was prepared to grant Mr. Berry in which to furnish the evidence of farm labour it is clear from his letter to Mr. T. W. Gayle, Private Secretary to the Minister of Customs, of the 14th February, 1918, who had written our Minister in the matter, that he fully expected Mr. Berry would take the first opportunity of attending at the Dominion Lands Office and furnish the required evidence for he wrote "I note that he finds it impossible at present to go to Medicine Hat but presently he can arrange to make this journey at a convenient opportunity within the next few weeks."

Whereas, Mr. Berry has not furnished the prescribed evidence as indicated herein the question now to be decided is whether at this late date the Department would be justified in allowing him credit for farm labour during 1917 on satisfactory proof thereof. Judging from his declaration Mr. Berry evidently intends to claim credit for the time.

Assuming for the moment that it has been decided to allow farm labour during 1917 it is clear that apart from this, Mr. Berry has not sufficient residence to meet the requirements as only five months' residence in 1918, and three months in 1919, is claimed, in addition to the farm labour. Depending on when the residence in 1918 and 1919 was performed it might be possible to allow Mr. Berry credit for one homestead term of six months between the two years, but by most generous treatment he has not fulfilled more than two years' residence duties.

Under the circumstances, Mr. Berry is not in a very good position to demand patent. From the tenor of his letters, which are couched in bitter terms, it is apparent

that

that he has no intention whatever of returning to the land. On the contrary, he has threatened that if patent is withheld he will refer the matter to the Minister personally.

There would not appear to be any grounds for special treatment in this case, but whereas the cultivation duties have been completed satisfactorily, it may be desired to make Mr. Berry an offer of purchasing his homestead at $1.00 an acre in lieu of further residence, and at the same time forego the replacement of his house, which was burned down. However, Mr. Berry claims to have already spent an [illegible] his homestead in excess, he states, of the value of the land, and it is, therefore, possible that the offer of a sale in lieu of further residence may not prove particularly attractive. On the other hand, if it is made clear to him that he has not completed his residence duties, according to evidence on file, he may prefer to purchase rather than return, more particularly as he is now District Manager at Red Deer for the Confederation Life Association.

Dear Sirs;

I have your letter of the 22nd inst to hand, and apparently we have both been waiting for a reply. I note what you have to say in your letter of the 22nd inst, and I would therefore ask you to take the trouble to look over your letter to me of September 20th perusing the last two line of the first paragraph and tell me whether you are offering to sell or purchase, and even in your letter of the 22nd inst you mention purchasing, if you intended to purchase it might have said so.

You have at least obtained a fair value of the land in question, when I accepted your offer of $100.00 it was of further residence, and the expenditures which I had made by the way of cultivating and attempting to grow crops. I think you should at least pay for the fence.

I regret that you have failed to come to clear your intention, and I would state you to turn this file over to the one Thos Tennant, whom I know will give it his personal attention.,

Yours truly,

DEPARTMENT OF THE INTERIOR

COMMISSIONER

2005232

OTTAWA,

26th August, 1925.

Memorandum:

Mr. Perrin.

N.W.¼ [illegible] W. 4th M.
Homestead - James T. Berry.
Obtained entry - 29th August, 1916.

Cancellation proceedings were instituted on the 8th June, 1922. for failure to apply for patent within five years. Mr. Berry insisted that he performed sufficient residence and objected to travelling to the Land Office to make application for patent.

The case was set forth in full in Mr. Powell's memorandum of the 11th September, 1923, marked, and was summerized by Mr. Hume on the 12th idem.

On Mr. Hume's summary of the 12th September, 1925, it was approved by the Acting Deputy Minister that a sale at $1.00 per acre in lieu of further residence be made as it appears impossible to get witnesses.

On the 1st October, 1925, Mr. Berry stated his willingness to pay the sum of $160.00. the terms to be cash within sixty days.

On the 4th January, 1924, the Deputy Minister gave instructions to have a Homestead Inspector call on the entrant and accept his application for patent. The application could then be transferred to the Inspector for the district who would take the evidence of the witnesses.

With interest to the 31st March last the Seed Grain indebtedness amounted to $246.09.

On the 19th May, 1924, Inspector Bowyer stated that all cultivation has grown up with weeds and improvements gone to wreck and of no value.

Inspector Purcombe in a later report stated that he interviewed Mr. Roach and Mr. Beebe, witnesses to the application for patent, but they refused to act as they did not consider that sufficient residence had been performed.

The Agent then forwarded the application for patent to Inspector Bowyer with advice that as the

entrant

entrant had been allowed to pay $1.00 per acre in lieu of residence, this point need not be considered, and the application for patent should only be completed in so far as the other duties were concerned.

Inspector Bowyer now reports under date of the 30th ultimo as follows:-

"[illegible] to report that it is impossible
"to get the evidence of 2 witnesses [illegible] appli-
"cation for patent of the above land as all the
"old settlers of the district have moved out. I
"would recommend that the Department accept the
"evidence of 2 witnesses and myself after visiting
"and inspecting the land and measuring up the
"breaking which is now grown to grass and weeds
"and making a full report."

Please state if the Inspector may be instructed to act as suggested in his report.

MJ

Ottawa, 31st August, 1925.

MEMORANDUM:

Mr. Corry.

Re - N.W.¼ 24-13-9-W.4th M.
Homestead - James T. Berry.

Please see Mr. Cowan's memorandum of the 26th instant, on File #2005232, herewith.

According to the recent Inspector's report, this case is in a position where it will be very difficult, if not impossible, to have the application for patent completed by the corroborative evidence of two witnesses as it would seem there are no settlers in the district at the present time who are cognizant of the cultivation duties performed by the entrant.

Mr. Berry's statement of the 24th July, 1923, claims five years' cultivation duties and a total of 80 acres brought under cultivation. In addition to this evidence there are reports from our field officers which fully confirm the entrant's statement in this regard.

Under the circumstances and as Mr. Berry has accepted the offer of the Department with respect to acquiring his homestead at the rate of $1.00 per acre in lieu of residence duties, I think if the application for patent in its present form shows sufficient to have been done other than residence, that the same be accepted as satisfactory with the Inspectors' reports and would recommend accordingly, patent to issue on receipt in full of the purchase price.

I am to acknowledge your letter of the 14th May last, in which you state it is not your intention to purchase your homestead outright.

Several years ago you were given the option of purchasing the land in question at the rate of $1.00 per acre in lieu of residence and the terms governing the sale were fully set out in the Departmental letter of the 20th September, 1923. It would seem ample time has been afforded you of completing payment and while the use of the expression "outright" is not understood, I am to state it has been decided to grant you a final thirty days from this date within which to make a substantial payment on account of the purchase price, and to warn you that should you fail to do so the entry will be summarily cancelled and the land otherwise disposed of without further notice.

Re: Account of Jas. T. Berry
N.W. 24-13-9-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $183.75 was advanced to Jas. T. Berry on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

| Principal | Interest | Total |
|---|---|---|
| $ 183.75 | $ 409.64 | $ 593.39 |

The N.W. 24-13-9-W4 was formerly the homestead entry of Jas. T. Berry on which security he obtained an advance of seed grain in 1920. His entry was cancelled on the 6th of July 1927, and the land is still unalienated Crown land held in the right of the Province.

The land is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, who have the land leased for grazing purposes only.

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

OTTAWA - 1st September, 1925.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: K.G.Devries, No.096556,
N.E.¼ 33-14-5-W.4th - S.G.

The above named settler secured advances from the Board totalling $2,800, the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Devries requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Devries states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by by the letter from the Secretary of the Department to the settler dated the 22nd June last.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ of 33-14-5-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

THE SOLDIER SETTLEMENT BOARD
OF CANADA.

TO WHOM IT MAY CONCERN:

WHEREAS it is provided by the Regulations for the transfer of Certain Lands to the Board where Settlement Duties Completed, approved by the Governor in Council on the 4th day of June, 1921 (P.C.1821), that in the event of a settler who holds any Dominion Land on which a charge has been imposed, constituted or created by or under the Soldier Settlement Act, 1919, or the former Act, having complied with the conditions of his entry to entitle him to receive Letters Patent for the land but for the charge imposed against it as aforesaid, the Minister, at the request of the Board may transfer to the Board the land so held by the settler;

AND WHEREAS K.G.Devries is a settler within the meaning of the Soldier Settlement Act who holds the N.E.¼ of 33-14-3-W.4th M.;

AND WHEREAS The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board;

WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said Section One of the Regulations for the transfer of Certain Lands to the Board where Settlement Duties Completed, as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1821), declares the right, title and interest of His Majesty in the said land except mines and minerals, whether solid, liquid or gaseous to be vested in the Board.
